# OUR STORY

Family-owned and operated, AmaWaterways was founded in 2002; however, our river cruise story began well before that. President Rudi Schreiner was born in Vienna, at the heart of the Danube. His love of design drew him to architecture, but his even greater love of travel drew him to places far and wide. Combining both of his passions, and coinciding with the completion of the Rhine-Main-Danube Canal in 1992, Rudi became a driving force for river cruise travel—and for these efforts has been recognized as the “Most Innovative Cruise Executive” and was presented

with the prestigious “Lifetime Achievement Award” by Cruise Lines International Association (CLIA).

Executive Vice President Kristin Karst brings extensive experience in luxury travel, river cruising and customer service to AmaWaterways. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father’s legacy in his role as Vice President of Sales.

From the beginning, our goal was to create a river cruise company that we ourselves would enjoy. To us, that meant excellent food and wine, comfortable and tasteful décor, ample space in which to relax, and staterooms with maximum views to enjoy the ever-changing countryside. With that in mind, we have been building one-of-a-kind ships with features such as our revolutionary twin balconies, with both a French balcony and an outside balcony, and additional dining venues; and in 2020, we will continue to innovate with our newest ship, the AmaSiena.

# EXCEPTIONAL CREW, UNPARALLELED SERVICE

As you relax on your private balcony gliding over the storied Danube River, sipping a Wachau Valley Riesling from the delightful vineyard you visited earlier in the day, you realize travel is about so much more than the destination. It's about the journey; and when you journey with award-winning AmaWaterways, whether it's Europe, Asia or Africa, each day you'll discover exciting cultures, be treated to authentic experiences, indulge in delicious cuisine accompanied by perfectly paired wine and find thrilling adventures.

Destinations, ships, rivers and excursions may change over the years, but one aspect of AmaWaterways' river cruises that will never change is the way we connect with our guests. Warmth spreads from the first smile that greets you the moment you step on board and grows throughout your sailing in the relationships you make with everyone from your Cruise Manager to your waiter.

Our impassioned and professionally trained crew will always go the extra mile to ensure your vacation experience is as memorable as possible. Whether it's the way the Captain hands you a red rose your first night aboard, or the way the bartender has your favorite drink waiting for you seconds after you enter the lounge, our crew gets to know you and creates magic that turns into lasting memories.

Cruise after cruise, our guests continue to tell us what a wonderful experience they had, and some of their most treasured recollections come from the exceptional efforts of our amazing AmaWaterways family. The gestures of your crew will stand out long after your vacation has ended and will fuel your desire to come back aboard for a repeat performance again and again.

*"AmaWaterways spends considerably more on high-quality food ingredients and wine and hotel crew service training than any other river cruise company."*

# A MOVEABLE FEAST

MULTI-COURSE TASTING MENU AT THE CHEF'S TABLE

“One cannot think well, love well, sleep well, if one has not dined well,” said Virginia Wolfe. This phrase epitomizes AmaWaterways’ dining philosophy. While sailing legendary rivers, you’ll be tempted by a veritable feast of exquisite cuisine. With a balance of regional dishes and time-honored favorites served with fine local wines, you can enjoy Austrian Grüner Veltliner with Wiener schnitzel as you cruise the Danube and drink full-bodied reds with hearty pot-au-feu while in Bordeaux. And with our smart casual dress code throughout the ship, you’ll enjoy each meal in comfort.

Robert Kellerhals, Executive Chef, along with his talented team of expert chefs, crafts menus using the finest and freshest local ingredients. Bountiful breakfasts include omelets made-to-order using cage-free eggs, freshly baked pastries, waffles topped with whipped cream and maple syrup, bacon and sausage, cereals, yogurt and fruit. Lunch tempts with an array of fresh salads, soups and sandwiches. Evenings offer casual elegance with a range of delicious entrees, including filets of salmon, beef tenderloin, and peppers and eggplant expertly sautéed and grilled. Appetizers and handmade desserts are artfully presented—and paired with distinctive wines—while delicious vegetarian and gluten-free options are equally enticing.

Always leading the way in innovation, AmaWaterways provides guests with one-of-a-kind dining in which food is not merely sustenance—it’s an unforgettable experience.

## EXPLORE EUROPE BY RIVER

The legendary rivers of Europe have long been celebrated in both prose and song. Serving as major highways during the rise and fall of ancient civilizations, these waterways have continued their crucial roles as sources of sustenance, avenues of transportation and facilitators of commerce. Throughout history, major cities, smaller villages and stalwart fortifications have been built along their banks. Today, travelers who sail on these magnificent rivers will encounter grand capitals like Vienna, Budapest and Paris, charming hamlets and towns, enchanting castles and other wondrous scenes from centuries ago. You rarely have to wander far from the river bank to discover a wealth of European art, culture, history and architecture.

### THE DOURO

This major river of the Iberian Peninsula flows from its source in Spain to its outlet in northern Portugal. It is here that river cruisers will discover the Douro River Valley, the birthplace of Port wine and a designated UNESCO World Heritage Site.

### DUTCH AND BELGIAN WATERWAYS

A series of connecting rivers, including the Amstel, from which Amsterdam took its name, connect the Netherlands and Belgium. A journey along these waterways in the spring offers many opportunities to watch nature blossom in breathtaking fashion in this picturesque part of the world.

## THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary, which naturally divides the Bordeaux region into the Left and Right banks. Travelers from around the world flock to this region that is well known for its wine and other tantalizing gastronomic delights.

## THE SEINE AND RHÔNE

The Seine rises in northeastern France near Dijon, flows through Paris, and continues westward through Normandy to the English Channel. The Rhône flows from its source in the Swiss Alps and travels south to the Mediterranean, linking thousands of vineyards and wineries in southeastern France.

## THE DANUBE

Captured in literature, art and Strauss's famous "The Blue Danube" waltz, this river is one of the world's most romantic waterways. Extending for thousands of miles through central Europe, the Danube flows eastward, passing through four capital cities before emptying into the Black Sea.

## THE RHINE, MAIN AND MOSELLE

The Rhine rises in the Swiss Alps and flows into Germany, where it joins its major tributaries, the Moselle and Main. Along these rivers are captivating sights that include grand cities, picturesque towns, iconic castles, stunning vineyards and verdant valleys.

TRADITIONAL HAND-CRAFTED TOYS

DISCOVER LOCAL CRAFTS

# THE EXOTICS

Walk the path less traveled. Discover the magic and beauty of a distant land and indulge your cultural curiosity. Whether you discover the sagas of ancient empires and colonial powers on the Mekong River in Vietnam and Cambodia, or you stare wide-eyed at a variety of fascinating species as they gather around a Chobe River watering hole in Africa, we are certain your experience will be forever etched in your memories and will leave an undeniable imprint on your heart for years to come.

HA LONG BAY, VIETNAM

WOMEN PADDLING THROUGH A LOTUS POND, HANOI, VIETNAM

ANCIENT RUINS OF TA PROHM, ANGKOR WAT, CAMBODIA

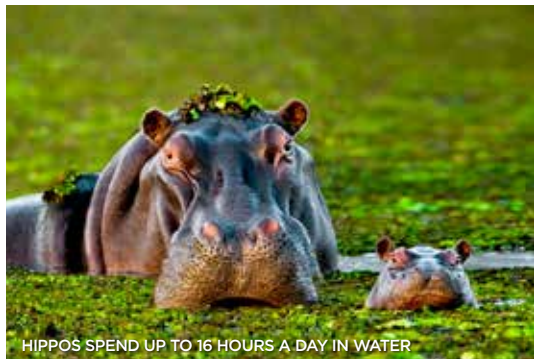

# THE MEKONG

The Mekong River, also known as “the Mother of Water,” begins high on the Tibetan plateau and winds its way through China and the rainforests, plains and rice fields of five Southeast Asian countries before meeting the sea. The sagas of ancient empires, colonial powers and modern conflicts have unfolded along the Mekong for centuries. Even today, it is impossible to overstate the river’s importance for the many millions of Vietnamese and Cambodians who live along its vast length.

From the vantage point from the AmaDara, you can witness the compelling contrast of the modern-day river and its ancient past—an awe-inspiring spectacle that simply must be seen to be believed. You’ll have the unique opportunity to go off the beaten path to see small towns seemingly unchanged by time. While here, immerse yourself in the local culture and heritage of Vietnam and Cambodia. Authentic experiences in rural villages unspoiled by tourism offer you a chance to delve deeply into this life and its culture, and to witness the time-honored skills of local artisans creating exquisite handicrafts and delicacies using centuries-old traditions.

CHOBE NATIONAL PARK

## THE CHOBE

The life-giving Chobe River is part of the larger Cuando River that flows through the game-rich “Four Corners” region of Africa, where Namibia, Zambia, Botswana and Zimbabwe meet. It flows through the northern part of Botswana’s Chobe National Park where it attracts an almost unbelievable density of game, when water inland is scarce and migratory animals head toward the river.

Here, you’ll experience the “Land of the Gentle Giants,” Chobe National Park, offering one of the densest concentrations of wildlife, including the world’s largest elephant population. Be treated to up-close encounters with the animals in their natural habitat on safaris providing an extraordinarily distinctive perspective for wildlife viewing. Double decker barges let you venture into the smaller channels of the park, offering an unusual viewpoint to observe hippos and elephants; while driving through the park in open-top vehicles allows the safari to search a wider span and more easily follow game in motion.

# VIETNAM & CAMBODIA TIMELESS TRADITIONS

Immerse yourself in the heritage and everyday life of Vietnam and Cambodia as you are transported back in time to another era—one where you'll experience the beauty of longstanding traditions of both these countries along the Mekong.

- ◆ Experience local commerce firsthand while watching skilled artisans make popular items, such as mats, slippers and silk scarves
- ◆ Discover exotic fruits and regional delicacies at vibrant, kaleidoscopic markets
- ◆ Receive a special Buddhist blessing in Cambodia's former capital of Oudong
- ◆ Try your hand at making rice paper during a demonstration by a local artisan
- ◆ Visit the Twin Mountains, known as Phnom Pros and Phnom Srei, and hear about the ancient legend regarding Khmer wedding proposals
- ◆ Hop on an authentic rickshaw in Hanoi, take a tuk tuk ride in Phnom Penh or mosey through a rural Cambodian village by oxcart, age-old modes of transportation
- ◆ Explore Vietnam's capital city, Hanoi, from its ancient temples to its French Colonial architecture and modern-day skyscrapers
- ◆ Admire the famous landmarks of Ho Chi Minh City, once known as the "Paris of the Orient," including the former Presidential Palace, Notre Dame Cathedral and the War Remnants Museum

## WORLD HERITAGE SITES AND NATIONAL TREASURES

Vietnam and Cambodia are home to spell-binding UNESCO World Heritage treasures. Cruise the emerald-green waters of Vietnam's ethereal Ha Long Bay, considered by many to be the Eighth Natural Wonder of the World. And explore Cambodia's manmade wonder, Angkor Archaeological Park, a vast temple complex once lost under tangled jungle vines, and one of the world's greatest architectural achievements.

# AMADARA SAILING THE MEKONG

The award-winning AmaDara is in a class of her own. Reflecting the region's unique blend of French and Southeast Asian heritage, the AmaDara is adorned with rich, dark woods that are elegantly carved, fine fabrics tinged with gold and French colonial décor accented by Mekong artifacts handcrafted by native artisans. Spacious staterooms and suites range from 251 sq. ft. to 502 sq. ft. and all feature twin balconies, both a French and an outside balcony. Plus, enjoy convenient interior access, unlike most other ships on the river.

Take a refreshing dip in the pool, stay active in the fitness room, or simply unwind with a soothing massage in one of three onboard spas. Savor authentic regional delicacies and Western cuisine in the Main Restaurant or dine at The Chef's Table specialty restaurant. Complimentary unlimited wine is served with every lunch and dinner, and house spirits, local beer, soft drinks and bottled water are available throughout the day.

Settle into your stateroom, and in the evening, be treated to a Welcome Cocktail Reception and Dinner. (D)

**TUESDAY, ZAMBEZI QUEEN.** Embark on an exhilarating morning boat safari to explore the Chobe River's diverse game viewing. Afterwards, return to the Zambezi Queen for lunch. Spend your last evening aboard with a festive African-themed dinner hosted by your crew—complete with singing and dancing. (B,L,D)

**FRIDAY, ZAMBEZI QUEEN – DISEMBARKATION – VICTORIA FALLS, ZIMBABWE.** Keep an eye out for wildlife as you cruise the Chobe during breakfast. # TERMS & CONDITIONS

**Parties:** In these terms and conditions, "you" or "passenger" or "participant" refers to the person booking, purchasing or traveling on the cruise, and to individuals traveling as part of that person's reservation. "We" or "us" refers to Amadeus Waterways, Inc., a California corporation ("AMA") and AmaWaterways, LLC, a California Limited Liability Company ("AWL"). AMA offers the travel and enters into these terms and conditions with you pursuant to arrangements made with AWL.

**Deposit and Final Payment:** To confirm a cruise or cruise & land reservation, we require a deposit of C\$500 per person for Europe and Asia itineraries and C\$3,000 per person for Africa itineraries on or before the deposit due date indicated on the confirmation. Transoceanic airline flights and packages require an additional deposit of C\$450 per person for economy class or C\$750 per person for business/first class flights. Certain airline tickets require non-refundable, full payment at the time of reservation. Hotel Extra Nights require a non-refundable deposit of C\$50 per cabin at the time of confirmation of the hotel availability. Final payment is due no later than 90 days before the travel start date.

**Pricing:** All prices are in Canadian dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel agent or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

**Prices Do Not Include:** Published prices do not include airfare, vessel fuel surcharges; passport and visa fees; baggage fees; travel protection; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

**Cancellation Charges:** In the unfortunate event a participant must cancel travel, notice to AmaWaterways must be via email to Res@amawaterways.ca, which must include a return receipt and read notation, or other writing stating clearly and correctly each guest's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. The effective date of the cancellation is the date we receive the written cancellation notice. A change in sailing date, name changes, the substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart below.

**Passport and Visas:** A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at final payment. If not received at this time, embarkation may be denied and cancellation penalties will

apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a single entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Vietnam, Cambodia, Rwanda, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.
