OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-Founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube River. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter, he started working in travel, creating unique tour experiences in Europe.

“There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of traveling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality.” – Rudi Schreiner

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with Co-Founders Kristin Karst and Jimmy Murphy to start AmaWaterways. Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father’s legacy in his role as Senior Vice President of Sales.

“Travel has been my life’s passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways’ success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd.” – Kristin Karst

From the beginning, our goal was to create a river cruise company that we, ourselves, would enjoy. To us, that meant the highest-quality, locally sourced food and fine wine; innovative and elegantly appointed ships with staterooms offering maximum views to enjoy the ever-changing countryside; and a crew who goes above and beyond, treating every guest like they are part of OUR family.

“We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions.” – Gary Murphy

The World's Longest River

NILE RIVER, CAIRO, EGYPT

THE NILE RIVER

The Nile is often associated with Egypt, but in fact, it flows north for over 4,000 miles through 11 countries—Tanzania, Uganda, the Democratic Republic of the Congo, Rwanda, Burundi, Ethiopia, Kenya, Eritrea, South Sudan, Sudan and Egypt—before emptying into the Mediterranean Sea. Fascinatingly, most rivers flow north to south, but the Nile flows south to north and historically has flooded during the months of August and September.

Egypt has been dependent on the predictability of the Nile's cycle since ancient times; and as a result, the river has been the heart of Egyptian civilization since this time. Without its water, rich soil, papyrus reeds, fish and fowl life, Egyptian culture wouldn't have existed. Since rainfall is almost non-existent in Egypt, the floods provided the only source to sustain crops. It was from these natural resources, that one of the greatest civilizations emerged, with a complex belief system, mystifying rituals, brilliant artistry, ingenious feats of engineering and awe-inspiring archeological treasures that changed the course of history.

THE ASWAN HIGH DAM

While ancient Egyptians relied on the Nile flooding, it no longer floods each year because in 1970 the Aswan High Dam was completed. This huge dam helps to regulate the flow of the river, to generate electricity, irrigate farms and provide homes with drinking water. And since many of Egypt's historical sites were built along the banks of the Nile River, some had to be moved, including Nubian villages and Abu Simbel, one of the most recognizable ancient sites in Egypt. For 3,000 years, it sat on the Nile's West Bank. However, in a remarkable feat of engineering, the temple complex was dismantled and rebuilt on a higher hill to make way for the Aswan High Dam. Abu Simbel's home is located on Lake Nasser, one of the largest man-made reservoirs in the entire world which exists because of the Aswan High Dam.

EGYPT: THE GIFT OF THE NILE

Egypt is considered to be one of the cradles of civilization; and the Nile River has clearly played a crucial role in its creation. This is why the Greek historian Herodotus called Egypt the "Gift of the Nile," since without its water, the Egyptian empire would not have emerged.

NUBIA

Experience Nubia, its wonderful culture and welcoming people—a highlight of your Egyptian adventure.

INTERTWINED HISTORIES

Nubia reflects a great heritage with a history dating from 2000 B.C. to modern day. Nubia, one of Egypt's hidden treasures, is culturally linked to ancient Egypt, where bouts of peace and war were a constant. In ancient tomb paintings, the Nubians were often depicted as traders who were sophisticated and served as major merchants for gold, ivory and ebony. In fact, their region was the main source of gold for the Egyptians, and may be why the name "Nubia" was derived from the Egyptian word for gold, "nub." Ancient Nubians were also known for their archery skills, and the Egyptians called their land "Ta-Seti," meaning "Land of the Bow."

Sadly, while Nubia had a prosperous history, time hasn't always been kind to them, especially when the Aswan High Dam was created. This ancient land today lies mostly under the waters of Lake Nasser created by the dam; and as such, lower Nubia could be considered modern Egypt's very own lost Atlantis. Nubian villages today are located near Aswan and differ from other Egyptian villages as they are easily distinguished by their houses awash in a rainbow of bright and lively colors. While the Nubians who live here are considered to be citizens of Egypt, these extremely warm and welcoming people still retain their own culture with their own unique language, as well as poetry, novels, storytelling and music.

PREPARING DELICIOUS CUISINE, THE CHEF'S TABLE

A FEAST FOR THE SENSES

Part of what makes travel so exhilarating is discovering the destination and its culture through its cuisine; and, while traveling through Egypt, you'll be treated to a feast for the senses on a palate-pleasing journey. Immersed in history and tradition, Egyptian cuisine is quite varied and shares similarities with its Mediterranean counterparts – but with a unique twist. Hummus, baba ghanoush, falafel, rice-stuffed grape leaves, exquisite cheese and baklava are staples of Egyptian cuisine, along with delicious meals prepared with fresh fish, meat, vegetables, legumes, and of course, exotic spices.

THE PERFECT BLEND

Beautiful and often historic settings, combined with deliciously locally sourced cuisine, including regional specialties and Western favorites, will be part of your Egypt culinary journey. While visiting Cairo, you'll be treated to some very special dining experiences. After a day exploring the Great Pyramids, unwind and indulge in a lovely lunch at the Mena House, complete with views of the pyramids. Dine at one of Egypt's oldest restaurants, Naguib Mahfouz, made famous by its namesake—one of Egypt's famous authors and Nobel Prize winners. And feel like royalty at the luxurious Abdeen Palace with a private lunch.

While sailing, the ever-changing views of the Nile River provide the perfect backdrop as you prepare for daily adventures and recharge with bountiful breakfast and lunch buffets. During the evening, savor a multi-course menu in the Main Restaurant, or take a seat at AmaWaterways' The Chef's Table specialty restaurant, where you can watch as your chef prepares a true tasting menu with an appetizer, a champagne sorbet intermezzo, choice of main course and decadent desserts. Throughout your river cruise, enjoy unlimited complimentary wine, beer and soft drinks with lunch and dinner on board.

EGYPTIAN-STYLE LAMB CHOPS

TANTALIZE YOUR TASTE BUDS

Get excited for your Egyptian adventure by trying this simple, yet delicious dip dating back to ancient Egypt in the 13th century.

THE ORIGINS OF “HUMMUS BI TAHINI”

The Turks, Greeks, Israelis and Egyptians—among others—all have a rich hummus history, but who really can claim *hummus bi tahini* prepared from chickpeas and tahini paste, among other ingredient, as their own? While no one really knows for sure, based on the medieval cookbook, “*Kitab Wasf al-Atima al-Mutada*,” Arabic for “*The Description of Familiar Food*,” it likely originated from ancient Egypt. Regardless of where it originated, this tasty dip is enjoyed by all cultures.

INGREDIENTS

- 1 (16-ounce) can of chickpeas (or garbanzo beans)
- 1/4 cup liquid from the can of chickpeas
- 3 to 5 tablespoons lemon juice (depending on taste)
- 1 1/2 tablespoons tahini (sesame paste)
- 2 cloves garlic (peeled and crushed)
- 1/2 teaspoon salt (depending on taste)
- Pinch of cumin and cayenne pepper

Directions: Drain the chickpeas and set aside the liquid. Combine the chickpeas, lemon juice, tahini, garlic and salt in a blender. Add 1/4 cup of the liquid from the chickpeas. Blend on low until thoroughly mixed and smooth. Place in a serving bowl and create a shallow well in the center of the hummus and then add a small amount of olive oil in the well. Serve with fresh, warm pita bread, or cover and refrigerate.

STATUE OF RAMESES II, LUXOR TEMPLE, EGYPT

LUXOR—“THE WORLD’S GREATEST OPEN-AIR MUSEUM”

The perfect gateway for your Nile River cruise is the UNESCO-designated city of Luxor—one of the most unique settings in the world, combining the past and present. Formerly known as Thebes, the capital city of the New Kingdom of Upper Egypt, and once considered the most powerful and exquisite city of the ancient world, Luxor has often been called “the world’s greatest open-air museum.” It has been stated that Luxor contains about a third of the most valuable monuments and antiquities in the entire world constructed from the onset of the Middle Kingdom (2050 B.C.) up until Roman and Byzantine times, and is located on both the Left and Right banks of Nile, which you’ll get to explore.

THE LEFT BANK: THE TEMPLES OF KARNAK AND LUXOR

Two of Egypt’s most astonishing temples—Karnak and Luxor—lie on the Left Bank and are joined by the one-and-half-mile Avenue of Sphinxes (comprised of 700 sandstone sphinxes). The Temple of Luxor, constructed over the course of 1,300 years by Amenhotep III, Rameses II, Tutankhamun and other pharaohs, is one of the world’s best-preserved ancient sites and was dedicated to Amon, king of the gods, his wife Mut, and Khonsu, their child. The Temple of Karnak, the largest religious complex in Egypt and one of the largest in the world, second to Cambodia’s Angkor Wat Temple complex, covers about 200 acres and includes a vast network of columns, hieroglyphics, obelisks, sphinxes and colossi.

THE RIGHT BANK: THE TOMBS OF THE NOBLES

On Luxor’s Right Bank is one of the most important archaeological sites in the world, often referred to as the “Tombs of the Nobles.” The most famous is the Valley of the Kings containing more than 60 tombs, including the enigmatic King Tutankhamun, whose mummified remains are still here on display. South of the Valley of the Kings and closer to the Nile lies the Valley of the Queens – home to the mummified remains of more than 30 queens and princesses, including Nefertari’s Tomb. Another amazing tomb dedicated to one of Egypt’s most successful pharaohs and the country’s first female ruler is the mortuary temple of Queen Hatshepsut, “Holy of Holies,” located beneath the cliffs at Deir el Bahari. It is one of the most incomparable monuments of ancient Egypt with an unusual structure even in its day because it was designed to seamlessly blend into its natural surroundings.

THE MYSTERIES OF ANCIENT EGYPT

Travel along the Nile River from Luxor to Aswan and discover a dazzling array of ancient monuments, tombs and temples. Experience some of Egypt's greatest cult temples devoted to a particular god or goddess, including the Temple of Horus, the falcon god, and the Temple of Isis, mother of Horus and wife of Osiris; along with some of the most intriguing mortuary temples dedicated to the pharaohs after their death, such as the Mortuary Temple of Hatshepsut.

TEMPLE OF HATHOR

Hathor was a major goddess in ancient Egypt who personified the principles of joy, feminine love and other earthly pleasures. This temple is considered the best-preserved temple in Egypt and is visually stunning with its grand entrance, detailed carvings, hieroglyphics and decorated ceiling.

THE TEMPLE OF EDFU

Sacred to the falcon god Horus, known as the protector of the pharaohs, this temple is Egypt's second largest and one of the best preserved. Construction began in 237 B.C. and was completed in 57 B.C. by Cleopatra's father.

NEFERTARI'S TOMB

Nefertari, which means "the most beautiful of them all," was the beloved royal wife of Rameses II, who built this tomb for her. Known as QV66, this tomb is considered one of the largest and most beautiful. You'll enjoy exclusive access inside to see its gorgeous and well-preserved wall paintings up close.

TEMPLES OF PHILAE

The UNESCO-designated Philae Temple complex has one of the most stunningly restored and preserved hieroglyphics in Egypt. It's an exquisite island shrine to the goddess Isis and mother of Horus.

TEMPLE OF KOM OMBO

The Temple of Kom Ombo is an unusual double temple. Due to the conflict between Sobek, the crocodile god, and Horus, the falcon-headed god, the ancient Egyptians separated their temple spaces so there are two of everything.

GREAT TEMPLE OF ABYDOS OF SETI I

While Seti I's history might be overshadowed by his son, Rameses II, considered one of history's greatest pharaohs, Seti I's role was to bring back order to Egypt after the controversial heretic Pharaoh Akhenaten's religious reforms.

FLUTE VENDOR, KHAN EL-KHALILI MARKET, CAIRO

“THE CITY OF A THOUSAND MINARETS”

There are many cities that blend the Old World and the new, and then there is Cairo, Egypt’s capital, located on the banks of the Nile River. It is a city where towering skyscrapers overlook 1,000-year-old monuments, and where getting around could mean hopping on the world-class metro system or catching a relaxing ride down the Nile on a felucca. Cairo also holds the special distinction of being home to the last of the Seven Wonders of the Ancient World still standing, the Great Pyramids, completed around 2540 B.C. While Cairo provides the gateway to the Great Pyramids, which have historically loomed large as emblems of ancient Egypt, Cairo is a colorful city with even more to discover beyond the timeless pyramids.

OLD CAIRO

Tucked away amid the modern urban area of the city lies Old Cairo, which is full of sites dating from Egypt’s Christian past and the dawn of Islam’s presence in Egypt. As one of the world’s oldest Islamic cities, Cairo is home to stunning Islamic architecture, which has earned it the nickname “The City of a Thousand Minarets.” Old Cairo is also home to Coptic Cairo—a stronghold of Egypt’s Christian past until the Islamic era—and encompasses the city’s oldest structure, a Babylonian fortress, as well as a concentration of Christian churches and other sites that date from the centuries between the decline of the pharaonic religion and the arrival of Islam when Egypt had a Christian majority.

THE HEARTBEAT OF THE CITY

Located in this historic center is Khan El-Khalili, an important district for cultural and economic activities, along with one of the world’s great shopping experiences. While strolling through this 14th-century market, you may find your eyes becoming lost between the unique mix of merchandise—from sparkling silverware to gold artifacts to exotic spices. It’s also home to many old cafés, including one of Nobel Prize winner Naguib Mahfouz’s favorite cafés, aptly named Naguib Mahfouz Restaurant. While dining at this café, be treated to a number of Egyptian delicacies, as well as a host of traditional hot drinks and juices as you enjoy a nostalgic trip back in time to Cairo’s golden past.

CAIRO—A UNIQUE AND VARIED HISTORY

Every corner of Cairo has its own unique history and story to tell, with a clear contrast between the various historical stages that extend from ancient Egypt to the Roman Empire, and the Islamic era until the modern history of Egypt—all of which blend in harmony.

EGYPTIAN MUSEUM

The exquisite Egyptian Museum is home to some of the greatest masterpieces ever crafted. Its unique collection of pharaonic art includes the priceless treasures of Tutankhamun, such as his death-mask, beautifully made of solid gold discovered by Howard Carter in the Valley of the Kings in 1922.

CITADEL OF SALAH ED-DIN & ALABASTER MOSQUE

The UNESCO-designated Citadel of Saladin is home to the Mosque of Muhammad—also known as the Alabaster Mosque—which was built to rival Istanbul's Hagia Sofia with an ornate interior and splendid array of lamps suspended from the intricately decorated ceiling.

GREAT PYRAMIDS OF GIZA

The three Pyramids of Giza are among the most famous structures on Earth. The Great Pyramid of Giza, also called the Pyramid of Khufu in honor of the pharaoh entombed within, is the oldest of the Seven Wonders of the Ancient World, and the only one still intact today.

THE SPHINX

At the eastern end of the pyramids sits another famous monument, the Great Sphinx. In Ancient Egypt, the head was often a Pharaoh or a god, and Egyptologists believe the head of the sphinx is modeled after Khufu's son, Khafre, who was entombed in the second pyramid.

DJOSER STEP PYRAMID

The Djoser Step Pyramid at Saqqara, the necropolis of ancient Memphis, predates the Pyramids of Giza. It is believed to be the first pyramid ever designed and by comparison to other Egyptian pyramids of a similar age, this was elaborately decorated with stone, as well as with more traditional materials.

ABDEEN PRESIDENTIAL PALACE

Considered one of the world's most luxurious palaces, the Abdeen Palace consists of multiple museums, including the Presidential Gifts Museum. An incredible volume of paintings adorn the walls in almost every room, along with a collection of clocks, many of which are decorated with pure gold.

THE SHEIKH ZAYED GRAND MOSQUE, ABU DHABI

CAPTIVATING LAND PROGRAMS

With AmaWaterways's carefully crafted pre- and post-optional land extensions, you can spend even more time in world-class destinations—all while getting even more value out of your international airfare. AmaWaterways offers three exciting optional land extensions to add to your Egypt adventure.

DUBAI AND ABU DHABI, UNITED ARAB EMIRATES

3-night Pre-Egypt Extension

While Dubai was a small desert town 50-plus years ago, today it is a vibrant cultural focal point in the Middle East known for luxury shopping, modern architecture and a lively nightlife. It is also home to the world's tallest building, Burj Khalifa, dominating the skyscraper-filled skyline and the ultra-famous Burj al Arab, the world's only 7-star hotel. Its closest neighbor, Abu Dhabi, is the capital of Emirates, offering a surprising mix of turquoise waters, beautiful beaches, historic sites and iconic landmarks.

DAY 1, DUBAI, UNITED ARAB EMIRATES. Arrive at the Dubai International Airport where an AmaWaterways representative will meet you and transfer you to the award-winning, 5-star JW Marriott Marquee.

DAY 2, DUBAI. Explore the Dubai Museum housed in the Al Fahidi Fort, which is the oldest existing building in the city, and a must-visit for a taste of old Dubai. Enjoy a boat trip down the massive Dubai Water Canal past many of the city's luxury hotels and landmarks before going to the Gold Souk. This is Dubai's most famous souk, offering a huge selection of jewelry made from gold, silver and diamonds as well as the Spice Souk with countless flavors, fragrant herbs and colorful spices. You will then visit Burj Khalifa, the tallest building in the world; and later this afternoon, you'll go on a desert safari in a 4x4 to experience the beauty and customs of the desert, along with henna painting, belly dancing and more, followed by a barbecue dinner. (B,D)

DAY 3, DUBAI - ABU DHABI - DUBAI. Drive to Abu Dhabi where you'll visit Zayed Grand Mosque, the largest mosque in the country. With more than 80 marble domes on a roof-line held aloft by 1,000 pillars and punctuated by four 107 meter-high minarets, it's a masterpiece of modern Islamic architecture and design. More than 90,000 tons of pure white marble from the Republic of Macedonia were used in its construction. Delicate floral designs inlaid with semi-precious stones, such as lapis lazuli, red agate, amethyst, abalone, jasper and mother-of-pearl, decorate a variety of marbles and contrast with the more traditional geometric ceramic details. After your visit here, you'll drive past Emirates Palace and the sprawling Presidential Palace in Ras Al Akhdar to Heritage Village, where you can shop, explore artifacts and watch artisans making pottery, blowing glass and weaving fabric on a loom. Conclude your day's adventure with a visit to Yas Marina, one of Abu Dhabi's finest marinas before returning to Dubai in the afternoon. (B)

DAY 4, DUBAI - CAIRO, EGYPT. Transfer to the Dubai International Airport for your flight to Egypt. (B)

5-star Hotel:

JW Marriott Marquee, Dubai

For individual hotel/land extensions, add to Egypt itinerary price:

THE TREASURY IN THE ANCIENT CITY OF PETRA, JORDAN

AMMAN AND PETRA, JORDAN

2 nights Amman and 2 nights Petra Pre-Egypt Extension

Follow in the footsteps of Moses, Romans, Christians, Bedouins, Muslims, Lawrence of Arabia, and countless other kings, nobles, and other historical people, exploring and marveling at the fascinating jewels of Jordan. Discover two legendary cities and experience all their wonderful treasures. Amman, the capital of Jordan; and Petra, known as the “Rose City.” Trace history in 6,500-year-old Jerash; visit Madaba, the “City of Mosaics”; and cap off your journey in Wadi Rum, the timeless “Valley of the Moon.”

DAY 1, AMMAN, JORDAN. An AmaWaterways’ representative will meet you at the airport and transfer you to the 5-star St. Regis Amman.

DAY 2, AMMAN – JERASH – AMMAN. The day starts with a city tour of Amman’s historic sites. Since Jordan was once part of the Roman Empire, it is home to a legacy of Roman architectural treasures, such as Jerash, considered one of the best examples of Roman influence outside of Italy, which you’ll get to visit. Enjoy lunch at Kan Zamaan Restaurant, offering an atmospheric setting in a historic caravanserai, before continuing to Saladin’s 12th-century Ajloun Castle. (B,L)

DAY 3, AMMAN – MADABA – MT. NEBO – PETRA. Madaba, “The City of Mosaics,” known for its famous mosaics, including the most celebrated of them all, the “Madaba Map”; and Mt. Nebo, one of the most revered sites in Jordan where Moses first viewed the Promised Land, are two of Jordan’s many treasures you’ll see. You’ll then travel to the ancient lost city of Petra where you’ll check in to The Old Village Resort. (B,L)

DAY 4, PETRA. A honeycomb of hand-hewn caves, temples and tombs carved into the rose red Sharah Mountains, Petra is one of the most stunning architectural sights on earth. Lost for over a thousand years, Petra was only rediscovered in 1812. At the entrance, you’ll walk through the Siq, a nearly 3/4 mile narrow passageway carved into sheer rock walls that rise seemingly into the heavens to the “Khazneh,” (the “Treasury”). You’ll also see the 4,000 seat theater, the Courts, Qasr Bint Pharaoun, Temple of the Winged Lion and other monuments. Cap the day off with a farewell dinner. (B,D)

DAY 5, PETRA – WADI RUM – CAIRO, EGYPT. Before going to the airport for your flight to Egypt, you’ll visit Wadi Rum with its red-pink sands, stunning natural arches and prehistoric rock engravings. You’ll also go to Lawrence Springs named for T.E. Lawrence—“Lawrence of Arabia”—who famously made the area his military base and home. Later in the afternoon, board your flight to Egypt for an early evening arrival. (B,L)

AFRICA AND THE CHOBE RIVER

The land of the gentle giants

Nothing can quite prepare you for a “bucket-list” experience on an AmaWaterways Africa Safaris & Wildlife Cruise. There’s much to see on the redlined banks of the Chobe; and surely few experiences compare to personally staring wide-eyed as the largest concentration of elephants in all of Africa freely swim and splash about in their natural habitat.

Combining a classic safari and cultural experiences with a scenic wildlife cruise, you will have the best of both worlds. Each one of our five meticulously planned safari and wildlife programs include an incredible four-night stay aboard the beautiful Zambezi Queen, allowing you to get up close to some of Africa’s most iconic wildlife in one of the world’s most diverse ecosystems. You’ll also spend two nights at one of the “Seven Natural Wonders of the World,” Zimbabwe’s majestic Victoria Falls, following your cruise.

Whatever your tastes might be, we have a trip perfectly suited for you. Two of our five itineraries include three nights in Greater Kruger National Park, home to the “Big Five”: lions, leopards, rhinos, elephants and buffaloes. One itinerary offers the ultimate seven-night safari adventure in Tanzania, home to four of the African continent’s most renowned national parks; and one features the Rovos Rail luxury train. For the quintessential wildlife experience, encounter the silverback mountain gorillas and golden monkeys by adding our Rwanda four-night extension to any of the five itineraries.

No matter which itinerary you choose, you’ll be treated to once-in-a-lifetime moments that will forever touch your heart and soul.

A reduction in occupancy is subject to a single supplement charge. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart to the left.

You acknowledge that your cancellation will cause us and the Carrier difficulty in selling a replacement cruise or cruise & land reservation and thus the cancellation fees described below apply regardless of whether your cruise or cruise & land reservation is resold. You agree that any losses sustained by us and/or the Carrier in the event of cancellation would be very difficult or

impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages.

Pricing: All prices are in CAD dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel advisor or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include airfare, vessel fuel surcharges, passport and visa fees, baggage fees, port charges and fees, travel protection, vaccinations, laundry, additional food and beverages, optional excursions, gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. For travel to Europe, at time of publication US Passport holders do not require a visa to travel. Passports must be valid for at least six (6) months after the scheduled return date to your home country, unless stated otherwise.

Travel Documents: Only after receipt of full payment, final Digital Travel Documents (including airline confirmation information, if applicable) will be sent via email, approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of Digital Travel Documents.) Requests for expedited Digital Travel Documents may be possible for an additional charge.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler’s choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a deposit of C\$450 per person for economy class or C\$750 per person for business/first-class tickets is required to secure the flight schedule and quoted price at time of reservation. Any quoted price is not guaranteed if changes are requested by the guest, such as name or date changes, or if an airline-imposed schedule change is not accepted prior to ticketing. Full payment must be paid for airline tickets to be issued within 75 - 90 days before the travel start date. Once the airfare full payment is received your airline tickets will be issued and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed, and your reservation will have to be recreated subject to market pricing at the time of the new reservation. Any air schedules provided by AmaWaterways are subject to change without notice as imposed by the carrier due to reasons beyond our control.

Air tickets are Economy class. Upgrading to Premium Economy, Business or First Class is possible for an additional charge pursuant to the terms and conditions of the relevant airline(s). AmaWaterways guarantees upgrades for long-haul flights, but not U.S. Domestic flights, intra-Europe, intra-Asia, intra-Egypt and intra-Africa flights. Upgrades may not be possible when an air carrier changes the schedule, aircraft type, experiences a strike, overbooking or flight interruption of any kind. Air carriers reserve the right to do all the above. In such cases, all claims for airfare adjustment must be requested directly to the air carrier.

Air carriers require the passenger name to appear on the airline ticket exactly it appears on the passport. If it does not match exactly, AmaWaterways shall not be responsible or liable for the consequences which could include re-issue fees or denial of boarding. AmaWaterways shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight, lost or damaged baggage, missed connections, downgrades, denied boarding or voluntarily buying

replacement tickets without the express consent of the air carrier. In any of these instances, claim must be made directly with the air carrier.

Changes: Airline tickets issued by AmaWaterways have restrictions and cannot be reissued, transferred, or exchanged. Any changes whatsoever made to an airline ticket will incur a minimum C\$450 per ticket change fee for Economy (C\$750 for Business), plus any additional increase in the cost of the airfare. A change or refund request for tickets purchased through AmaWaterways must be made through AmaWaterways but may not be possible. Once a trip commences, only the date

of the return flight ticket can be modified for C\$450 per ticket change fee for Economy (C\$750 per ticket for Business). Other changes may require purchase of a new ticket. The original return air ticket has no residual value.

Limitation on Special Requests & Frequent Flyer Numbers: AmaWaterways will try to relay requests for special meals, adding frequent flyer numbers or for seat assignments, etc. However, confirmation of any request rests solely with the airline and the passenger or travel advisor must always confirm directly with the airline. It is recommended that each passenger provide their frequent flyer number to the airline at the

time of check-in. Please note that airline tickets issued by AmaWaterways have restrictions that may not allow credit in part or whole for frequent flyer miles. Checking with the air carrier is the responsibility of the passenger.

Baggage: Checked and carry-on baggage are subject to restrictions that usually involve weight, size and/or number of pieces. Please check with the respective airline regarding baggage policies. There are strict luggage restrictions for our programs in Africa; please ask for details. Airport transfers in Africa and Egypt to/from the hotel are included on the first and last days (when applicable) of your trip, unless deviating from advertised program. If airport transfers are not reflected on your confirmation, AmaWaterways will not be responsible for providing airport transfer service. Please note: our group airport transfer service may involve some waiting time. All guests making their own airfare arrangements are responsible for arranging their transportation to/from the airport (except Africa and Egypt). Individual airport transfers can be purchased for those guests who are scheduled to arrive/depart on our itinerary dates, please ask for details.

Changes in Cruise and Cruise & Land Itineraries: Carrier seeks to provide services as published or stated in the Digital Travel Documents. But deviations to planned cruise, cruise & land itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

Hotel Accommodations: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary; therefore, use of such hotels is not assured. An effort will be made to substitute similar hotels, but the level of similarity may vary. Standard policy for hotels is to have rooms available for check-in no earlier than 3:00 p.m. Subject to the discretion of the hotel, triple-occupancy hotel accommodations may involve the use of hotel rooms with just two beds. Only those guests who have elected to take our Cruise & Land program on the brochure itinerary dates will receive transfers between the hotel(s) and the ship.

Cancellation by Carrier: Carrier reserves the right to cancel, change or postpone any cruise departure date and itinerary. In the event of a complete cancellation of a departure by Carrier, we will refund monies paid for the cruise or cruise & land package to those participants who have not previously cancelled. See Passenger Ticket Contract for further details.
